ABOUT COMPANY

Welcome to Uzito Contractors, a pioneer in diversified services and a company renowned for unmatched dedication, professionalism, and innovative entrepreneurship. Founded by Mr. Theophilus Munyao Nzomo & Mrs. Irene Muoti Matingi, who envisioned a robust organization adept at handling complex government contracts and tenders.

Operating from the bustling city of Nairobi, Kenya, we manage a dynamic business across multiple sectors, catering to our clients' specific needs with precision and excellence. Be it delivering outstanding construction projects, maintaining efficient supply chains, or offering various other services, our goal is to fulfill every contract seamlessly.

Our headquarters are located in the prestigious Double Kay Plaza, strategically positioned in Nairobi, Kenya. This prime location in the city's commercial hub represents our commitment to leading the industry. It stands not just as our operational base, but as a testament to our relentless pursuit of service excellence.

Successfully navigating tenders and government contracts demands both expertise and versatility. At Uzito Contractors, we have honed these traits, allowing us to secure and execute a wide array of projects. Our adaptable business model and unwavering client dedication set us apart, enabling continuous growth and contributing to our nation's economic prosperity.

Join us as we redefine service delivery, push boundaries, and build a sustainable future. Welcome to Uzito Contractors, where excellence meets reliability, and innovation shapes tomorrow.

WELCOME MESSAGE

MR. THEOPHILUS NZOMO

Welcome to Uzito Contractors. As the Founder and Director, I am honored to highlight our dedication to quality, reliability, and a broad range of services. We specialize in expertly navigating the complex realm of government tenders, excelling in major construction projects, including building, roads, water, and efficient general supplies.

Our core belief is straightforward yet impactful: each project is a distinct opportunity. It's a chance to innovate, sharpen our skills, and surpass expectations. This principle ignites our passion and propels us to develop value-added solutions for our esteemed clients.

As you peruse our profile, we aim to provide insight into the essence of Uzito Contractors—our ambitions, dedication, and relentless pursuit of excellence. You'll discover not just our services and achievements, but the spirit of innovation and commitment that infuses every aspect of our business.

In closing, I extend my gratitude for your interest in Uzito Contractors. We are eager for the journey ahead and hope to welcome you as part of it. Remember, at Uzito Contractors, your success is our success.

Warm regards,

Mr. Theophilus Nzomo
Director, Uzito Contractors

VISION & MISSION

Vision

At Uzito Contractors, our vision is to be the foremost company in general construction—covering building, roads, water, and general supplies—in Kenya and beyond. We strive to set benchmarks for quality, reliability, and innovation in our field. Our goal is to consistently surpass the expectations of our clients and stakeholders, contribute to the economic growth of our nation, and promote a culture of excellence and sustainability in all our endeavors.

Mission

Our mission is to provide top-notch and varied services that meet our clients' specific needs. Like the company majors in general construction—building, roads, water, and general supplies. We are committed to obtaining and fulfilling numerous government contracts and tenders with the highest professionalism and integrity. We aim to build enduring client relationships through consistent performance and outstanding service. By investing in our team's development and skills, we foster a work culture that encourages innovation, promotes learning, and ensures top-quality standards in every project we handle.

OUR CORE VALUES

At Uzito Contractors, our core values guide us in everything we do. These values are:

- **Integrity:** We uphold honesty, transparency, and ethics in all business dealings.
- **Customer Focus:** Our priority is our customers, and we aim to surpass their expectations.
- **Quality:** We commit to delivering superior products and services that align with or exceed industry standards.
- **Innovation:** We foster creativity and innovative thinking to address our customers' needs.
- **Teamwork:** We collaborate with each other and our clients to achieve our objectives.
- **Professionalism:** We maintain the utmost professionalism and strive for excellence in every aspect of our work.
- **Social Responsibility:** We are dedicated to positively impacting the communities we serve by being socially responsible and environmentally aware.

MILESTONE

1

Establishment of Uzito Contractors : Uzito Contractors was founded by Mr. Theophilus Nzomo, marking a significant milestone in the tender and diversified services sector. With a clear vision and a passion for delivering high-quality services, Uzito Contractors emerged as a dynamic and ambitious company ready to make its mark. The establishment of Shaflo Enterprises laid the foundation for a journey of growth, innovation, and excellence in meeting the diverse needs of our clients.

2

Expansion of Service Portfolio : In response to evolving market demands and the diverse requirements of our clients, Uzito Contractors embarked on an aggressive expansion of its service portfolio. We strategically diversified our offerings, incorporating construction services, general supplies, and various other specialized services. This expansion allowed us to cater to a broader range of client needs, positioning us as a comprehensive solutions provider. Our commitment to delivering exceptional results, coupled with our ability to adapt to changing market dynamics, has been pivotal in our successful expansion and growth.

3

Securing Key Government Contracts : One of the significant milestones achieved by Uzito Contractors was the successful securing and execution of major government contracts. Our expertise, professionalism, and proven track record played a crucial role in earning the trust and confidence of government entities. These contracts encompassed a wide range of projects, including infrastructure development, construction of public facilities, and the provision of specialized services. By consistently delivering projects on time and to the highest standards of quality, Uzito Contractors has established itself as a preferred contractor for government agencies, solidifying our position in the market.

WHY US?

Because Your Success Demands More Than Just Supplies. In Kenya's dynamic business environment, you need a partner who comprehends more than just products; you need a partner who understands growth. At Uzito Contractors, we don't just supply – we are your strategic allies. We've earned our reputation by providing more than just goods; we deliver solutions.

Beyond the Box: Our Unique Edge

- **Local Expertise, Global Excellence:** Our roots are firmly planted in Kenya, allowing us to understand the intricate details of our market. Yet, we don't limit ourselves to local standards. We deliver international quality right at your doorstep, offering you the best of both worlds.
- **Customized Solutions, Beyond Shipments:** We go beyond merely providing products. We delve into your specific needs, creating customized solutions for your unique challenges. Whether it's resonant branded merchandise or empowering ICT tools, we focus on impactful results tailored just for you.
- **Your Brand, Elevated:** In a competitive market, standing out is crucial. We don't just place logos; we craft brand narratives. Our branding and printing services turn your vision into impactful assets, making your brand memorable.
- **Dependability Redefined:** Your time is precious, and we honor that. Our dedication to prompt delivery and consistent customer service ensures you can concentrate on what truly matters—growing your business.

MANAGEMENT

Uzito Contractors is powered by a leadership team committed to delivering unparalleled supply solutions across Kenya. Our collective expertise and dedication ensure we consistently exceed client expectations.

- **Director** : Provides strategic vision and leadership, charting the course for Amani's growth and success in the Kenyan market. Responsible for setting and achieving ambitious company goals.
- **Operations Manager** : Ensures seamless day-to-day operations, optimizing resource management—personnel, finances, and logistics—to drive efficiency and effectiveness.
- **Sales Manager** : Leads our client-focused sales team, fostering strong relationships and delivering tailored solutions that meet the diverse needs of our customers throughout Nairobi and beyond.
- **Administrative Officer** : Manages critical administrative functions, maintaining meticulous records and ensuring a well-organized and efficient office environment.
- **Customer Service Excellence** : Our dedicated customer service team prioritizes client satisfaction, providing responsive support and ensuring every interaction is positive and productive.
- **Strategic Sales Representatives** : Proactively identify new business opportunities and effectively promote Uzito's comprehensive services, driving sales growth and expanding our market presence.
- **Quality Assurance Officer** : Upholds the highest standards of driving quality across all product and service offerings, continuous improvement and ensuring client trust.

Our leadership team is dedicated to fostering a culture of excellence, innovation, and client-centricity, ensuring **Uzito Contractors** remains your trusted partner for all your supply needs in Nairobi and across Kenya.

CONSTRUCTION WORKS

BUILDING WORKS

At **Uzito Contractors**, we specialize in building construction, delivering high-quality projects that meet the needs and expectations of our clients. Our experienced team of professionals has a wealth of expertise in all aspects of building construction, from design and planning to project management and construction.

We use the latest construction techniques and materials to ensure that our buildings are structurally sound, energy-efficient, and aesthetically pleasing. Our team works closely with clients to understand their requirements and provide customized building solutions that meet their specific needs. We have successfully delivered a wide range of building construction projects, including residential buildings, commercial buildings, educational institutions, and healthcare facilities.

We ensure that every project we undertake is completed on time, within budget, and to the highest quality standards. Our building construction services include site analysis, design and planning, construction management, and post-construction services. We work with architects, engineers, and other construction professionals to ensure that every aspect of the project is executed to the highest standards.

At **Uzito Contractors**, we are committed to delivering exceptional building construction services to our clients. We believe that our dedication to quality and customer satisfaction is what sets us apart from other construction companies in the industry.

Building construction is a complex and multifaceted process that involves several critical stages, each requiring meticulous planning and execution. Understanding these stages is essential for ensuring a successful project from conception to completion.

Below is an in-depth exploration of the building construction process. Overview of the Building Construction Process The construction process can be broadly divided into two main phases: pre-construction and construction. Each phase consists of several key steps that must be carefully managed to achieve a successful outcome.

PRE-CONSTRUCTION STAGE

1 **Building Plan**

· The foundation of any construction project begins with a comprehensive building plan. This plan outlines the design, layout, and functionality of the structure. It is crucial to involve a team of professionals, including architects, civil engineers, and other specialists, to create a plan that meets both aesthetic and functional requirements.

2. **Budget Estimation**

A detailed budget is developed based on the building plan. This budget should encompass all aspects of the project, including materials, labor, permits, and contingencies for unforeseen expenses.

3. **Land Acquisition**

Securing the right location is vital for any construction project. Factors such as zoning laws, environmental impact assessments, and accessibility must be considered during this phase.

4. **Documentation**

Proper documentation is essential for compliance with local regulations and obtaining necessary permits. This includes architectural drawings, engineering reports, and environmental studies.

CONSTRUCTION STAGE

1. **Site Clearing**
   The construction site must be cleared of any debris, vegetation, or existing structures to prepare for the new build. This step often involves excavation and grading to ensure a level foundation.

2. **Foundation Work**
   The foundation is one of the most critical components of a building's structural integrity. Depending on soil conditions and building design, various types of foundations (e.g., slab-on-grade, crawl space, or basement) may be used.

3. **Superstructure Construction**
   Once the foundation is complete, the superstructure can be built. This includes erecting columns, beams, and walls that form the skeleton of the building. Materials such as steel or reinforced concrete are commonly used for strength and durability.

4. **Bricklaying and Masonry**
   The visible portion of the building takes shape during this phase as walls are constructed using bricks or blocks according to the architectural design. Proper techniques in masonry ensure that walls are not only aesthetically pleasing but also structurally sound.

5. **Lintel Installation**
   After constructing walls, lintels are installed above openings (doors and windows) to support loads from above while allowing for structural integrity.

6. **Roofing**
   The roofing system is installed next, providing protection from weather elements while contributing to the overall aesthetic of the building. Various roofing materials can be used depending on design preferences and functional requirements.

7. **Mechanical, Electrical, and Plumbing (MEP) Installation.**
   During this phase, essential systems such as heating, ventilation, air conditioning (HVAC), electrical wiring, plumbing pipelines, and drainage systems are installed within walls and ceilings.

8. **Insulation and Waterproofing**
Insulation is added to enhance energy efficiency while waterproofing ensures that moisture does not compromise structural integrity or indoor air quality.

9. **Finishing Touches**
The final stages involve interior finishes such as drywall installation, flooring, painting, cabinetry, and fixtures. Exterior finishes may also be applied at this stage.

10. **Final Inspection and Handover**
Before occupancy can begin, final inspections are conducted to ensure compliance with all safety codes and regulations. Once approved, the building is handed over to the owner for use.

POST-CONSTRUCTION STAGE

After construction concludes, ongoing maintenance and management are crucial for preserving the building's condition over time:

1. **Post-Construction Evaluation:** Assessing project outcomes against initial goals helps identify areas for improvement in future projects.

2. **Maintenance Planning:** Establishing a maintenance schedule ensures that systems remain operational and that any wear-and-tear issues are addressed promptly.

3. **Sustainability Practices:** Implementing sustainable practices post-construction can enhance energy efficiency and reduce operational costs over time.

The building construction process requires careful coordination among various stakeholders throughout multiple phases—from initial planning through to post-construction maintenance. Each stage plays a pivotal role in ensuring that projects are completed on time, within budget, and to the highest standards of quality and safety. By understanding these phases in detail, stakeholders can navigate challenges effectively while delivering successful construction projects that meet client expectations.

ROAD WORKS

At **Uzito Contractors**, we have extensive experience in road construction and rehabilitation, delivering high-quality projects that meet the needs and expectations of our clients. Our team of professionals possesses a wealth of expertise in all aspects of road construction, ranging from design and planning to project management and construction. We employ the latest technologies and techniques to ensure that our roads are structurally sound, safe, and durable.

Our team works closely with clients to understand their requirements and provide customized road solutions tailored to their specific needs. We have successfully delivered a wide range of road construction projects, including highways, urban roads, and rural roads. We ensure that every project we undertake is completed on time, within budget, and to the highest quality standards.

Our road construction services include site analysis, design and planning, construction management, and post-construction services. We collaborate with government agencies, private clients, and other stakeholders to guarantee that every aspect of the project is executed to the highest standards. At **Uzito Contractors**, we are committed to delivering exceptional road construction services to our clients. We believe that our dedication to quality, safety, and customer satisfaction sets us apart from other construction companies in the industry.

WATER WORKS

At **Uzito Contractors**, we have extensive experience in water works, delivering high-quality projects that meet the needs and expectations of our clients. Our team of professionals possesses a wealth of expertise in all aspects of water engineering, ranging from design and planning to project management and construction. We employ the latest technologies and techniques to ensure that our water systems are reliable, efficient, and sustainable.

Our team works closely with clients to understand their requirements and provide customized water solutions tailored to their specific needs. We have successfully delivered a wide range of water projects, including water supply systems, sewerage systems, water storage facilities, and irrigation infrastructure. We ensure that every project we undertake is completed on time, within budget, and to the highest quality standards.

Our water works services include site analysis, design and planning, construction management, and post-construction services. We collaborate with government agencies, private clients, and other stakeholders to guarantee that every aspect of the project is executed to the highest standards. At **Uzito Contractors**, we are committed to delivering exceptional water works services to our clients. We believe that our dedication to quality, safety, and customer satisfaction sets us apart from other contractors in the industry.

- **Educational Aids** : We offer educational aids such as charts, maps, globes, and science kits to enhance the learning experience

BRANDING SERVICES

In today's world, a strong brand is key to standing out. **Uzito Contractors** helps businesses in Nairobi create a memorable identity that attracts customers and builds trust. We offer a range of branding services to suit your needs and budget.

How We Can Help Your Brand Shine

- **Create a Unique Logo** : Our designers will work with you to craft a logo that captures the essence of your business. This is the foundation of your brand.
- **Professional Printing** : We offer high-quality printing for business cards, brochures, and flyers, ensuring your materials look sharp and professional.
- **Promote with Merchandise** : Get your name out there with custom-branded items like pens, mugs, and t-shirts. These are great for giveaways and events.
- **Eye-Catching Signage** : We can create attractive signs and displays for your shop or office, helping you attract customers and make a strong impression.
- **Online Branding** : We can help you build a strong online presence with website design and social media branding, so customers can find you easily.

MEDICAL SUPPLIES

Uzito Contractors is a steadfast partner to Nairobi's healthcare community, providing a reliable source of high- quality medical supplies that uphold the highest standards of patient care. We recognize the critical role these supplies play in ensuring effective diagnosis, treatment, and overall well-being.

- **Protective Barriers** : We offer a comprehensive range of Personal Protective Equipment (PPE), including gloves, masks, gowns, and face shields, safeguarding healthcare workers and patients alike.
- **Diagnostic Precision** : Our selection of diagnostic equipment, from thermometers and blood pressure monitors to stethoscopes and rapid diagnostic kits, empowers accurate assessments and timely interventions.
- **Essential Furnishings** : We provide essential hospital furniture and equipment, including hospital beds, examination tables, wheelchairs, and medical carts, creating a functional and comfortable healthcare environment.
- **Wound Care Solutions** : Our wound care supplies encompass facilitating bandages, dressings, antiseptics, and sutures, effective wound management and promoting healing.
- **Vital Consumables** : We ensure a steady supply of crucial medical consumables, such as syringes, needles, catheters, and IV sets, supporting critical procedures and treatments.

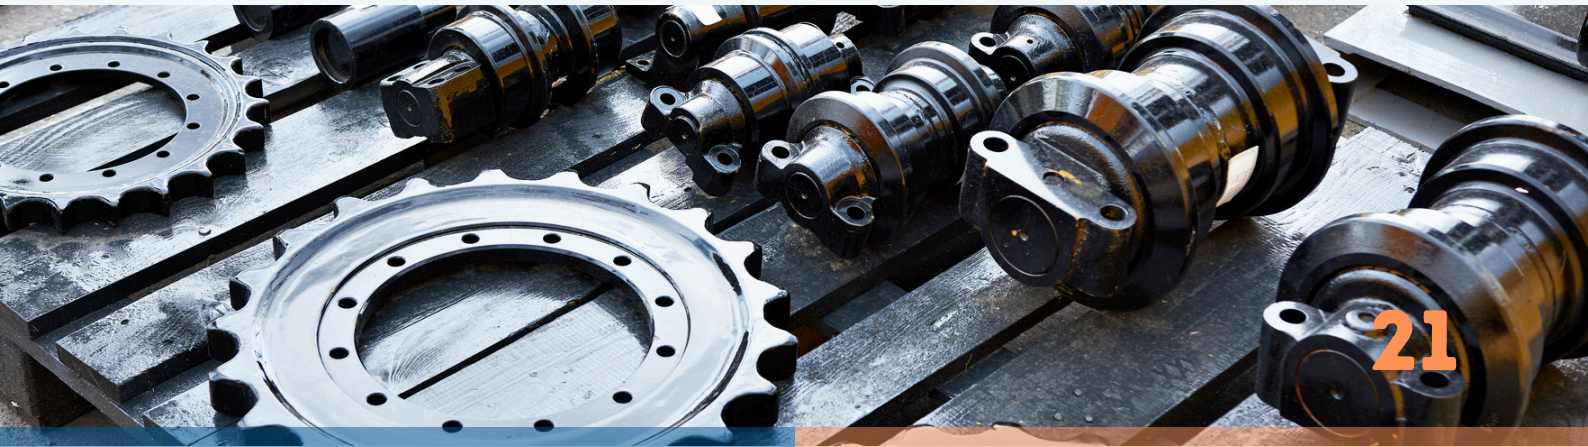

MACHINERY SUPPLIES

Uzito Contractors is a driving force behind Nairobi's industrial advancement, providing a comprehensive range of machinery supplies that empower businesses to operate at peak efficiency. We understand that reliable and high-performing machinery is the backbone of productivity, and we are committed to equipping industries with the tools they need to thrive.

Empowering Industrial Operations

- **Industrial Powerhouses** : We offer a diverse selection of industrial equipment, from precision CNC machines and lathes to robust excavators and cranes, catering to the needs of manufacturing, construction, and agricultural sectors.
- **Tools for Every Task** : Our range of power tools encompasses everything from drills, saws, and grinders to welding equipment and air compressors, providing the versatility to tackle any project.
- **Keeping Machinery Running** : We ensure seamless operations with a comprehensive inventory of spare parts and components, including engines, motors, pumps, belts, bearings, and filters, minimizing downtime and maximizing productivity.
- **Maintenance Essentials** : Our maintenance and repair supplies, including lubricants, cleaning agents, and specialized tools, help businesses keep their machinery in optimal condition and extend its lifespan.
- **Prioritizing Safety** : We prioritize workplace safety with a range of protective equipment, including safety glasses, gloves, helmets, working and respiratory protection, ensuring a secure environment.

FRESH & DRY FOOD SUPPLIES

Uzito Contractors is your trusted source for fresh and dry food supplies in Nairobi. We're dedicated to providing a diverse and high-quality selection to businesses and individuals, ensuring access to the ingredients needed for delicious and nutritious meals.

- **Fruits :** A vibrant array of seasonal fruits, from sweet mangoes and juicy oranges to crisp apples and exotic pineapples.
- **Vegetables :** A wide variety of fresh vegetables, including staples like tomatoes, onions, and potatoes, alongside leafy greens and seasonal delights.
- **Grains :** Essential staples like rice, maize flour, and wheat flour, along with nutritious options like beans and lentils.
- **Pasta & Noodles :** A diverse selection of pasta, noodles, and other grain-based products for convenient and satisfying meals.
- **Spices & Seasonings :** Enhance your culinary creations with our range of aromatic spices and seasonings.
- **Dairy :** Fresh milk, creamy yogurt, and a variety of cheeses to add richness and flavor to your meals.
- **Eggs :** Farm-fresh eggs, a versatile source of protein for any diet. Meat & Poultry :
- **Meat :** High-quality cuts of chicken, beef, goat, and other meats, perfect for creating hearty and flavorful dishes.
- **Processed Meats :** Convenient options like sausages and bacon for quick and easy meals.
- **Cooking Oils :** A selection of cooking oils to suit your culinary needs.
- **Sugar, Salt & More :** Essential pantry staples for everyday cooking.
- **Canned Goods & Sauces :** Stock your pantry with convenient canned goods, flavorful sauces, and condiments.

ELECTRICAL SUPPLIES

Uzito Contractors is your reliable source for high- quality electrical supplies in Nairobi. We provide a comprehensive range of products for residential, commercial, and industrial applications, ensuring that you have the components you need to power your projects and keep your electrical systems running smoothly.

- A wide range of wires and cables for various applications, including power transmission, communication, and control systems.
- Copper and aluminum conductors in different sizes and configurations.
- Indoor and outdoor lighting solutions, including LED lights, fluorescent lamps, and incandescent bulbs.
- Lighting fixtures, switches, and dimmers to create the perfect ambiance.
- Switchgear and Protection: Circuit breakers, fuses, and surge protectors to safeguard your electrical systems.
- Distribution boards, panels, and enclosures for safe and organized wiring.
- Transformers, generators, and UPS systems for reliable power supply.
- Extension cords, power strips, and plugs for convenient power access.
- Electrical testers, multimeters, and other diagnostic tools.
- Wire strippers, crimpers, and other tools for electrical installations.
- Conduit, fittings, and other accessories for wiring projects.

DISCLAIM\PER

Issuance of this permit does not exempt the permit holder from compliance checks, inspections, top-ups or adherence to applicable laws. The Nairobi City County Trade Licensing Act 2019 Section 1T(i) gives the Director the powers to suspend or cancel a permit in case of false information or non-compliance with the applicable laws.

TERMS & CONDITIONS

This license is issued under section 12 of the Act subject to the following terms and conditions: -

1. Compliance with the provisions of the Nairobi City County Trade Licensing Act and any other legislation relevant to the trade.
2. This license is not transferable.
3. Where a business is carried on in or from more than one premise, the business carried on in or from each premise is deemed to be separated business and as such a separate license is required;
4. The license holder must notify the Director of any changes in the nature of trade, directorship or ownership of the business, location of business or cessation of trade.
5. The license is a Nairobi City County Government property and must be displayed in a conspicuous place within the business premises and the license holder must produce the license whenever an authorized officer requires him or her.
6. The owner of the business should not sell/display their goods outside their licensed premises.
7. A person who forges or alters a license without authority commits an offence and shall be liable on conviction to a fine not exceeding Kenya shillings fifty thousand or to imprisonment for a term not exceeding three months, or both.
8. A person who fails or neglects to renew a license as required and continues to operate the business or trade commits an offence and shall be liable on conviction to a fine not exceeding Kenya shillings fifty thousand or to imprisonment for a term not exceeding three months, or both.
9. Granting of this License does not legitimize any illegal activity including occupation of a county road reserve or any prohibited area.
10. Under this license, it shall be the duty of every occupier, or owner or agent of a house, or other premise to clean or cause to be cleaned ten meters radius around his or her house or other premises or any area otherwise in his or her control
11. The license holder shall ensure that appropriate safety measures are in place to mitigate fire and other hazards.
12. The licensed business shall only be conducted in full compliance with National and County health and safety laws and regulations.
13. The licensed business shall submit to periodic inspections for compliance with applicable standards, regulations and laws.
14. The license holder shall comply with any other condition or directive as shall be necessary for purposes of health, hygiene and safety.
15. Subject to compliance to provided signage dimensions, siting & location requirements as per Outdoor Advertising & Signages policy (2015), NCG Advertising Act (2018) & PLUPA (2019).
